Meet our Yearbook Editors

REBECCA SIEGEL - EDITOR

Hi! My name is Rebecca Siegel, and I am a co-editor of the 2022 MHS yearbook! Along with yearbook, I am technical director of the drama club and involved in the CCSR. The class of 2022 has overcome so many challenges, and I'm so proud to say we're finally graduating! Our yearbook team has worked so hard to fit our high school experience into this book, and I hope you love it as much as we do!

Rebecca Siegel

MELINA McGOVERN - EDITOR

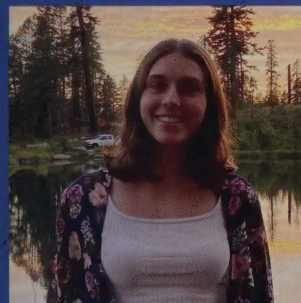

Along with co-editing yearbook, I am a captain of the rowing team, a CCSR student leader, the head of communications for a branch of the regional National Organization for Women, and the social media manager of the drama club. In my spare time, I work at Bob's Italian Foods. I first found an interest in working on the yearbook when I was in elementary school and there was a competition to draw the cover. I hope you enjoy the yearbook our class has created!

Melina McGovern

KATIE ROTRAMEL

Hey, MHS! My name is Katie Rotramel, and I fill the role of Design Manager of the yearbook. I am also Vice President of Drama Club, Vice President of National Honor Society, and President of World Language Club. I hope to spend the next four years studying visual arts in New York City. My purpose as design editor is to convey the uniquely inspiring spirit of Medford High through the pages of our 2021-2022 yearbook. It has been an honor holding this position, and let your day be what it Maybie!

CHARLOTTE GINGO

Outside of working as a writer for the yearbook, I am a member of the CCSR, treasurer of National Honors Society, and a member of the Diversity Empowerment Movement. I also rock climb and coach young climbers. I'd like to send a big thank you to everyone who filled out Google forms, sent in photos, and helped us out along the way. I hope this yearbook serves as a vessel for every student's favorite memories from MHS, and that it brings you all joy when you flip through the pages.

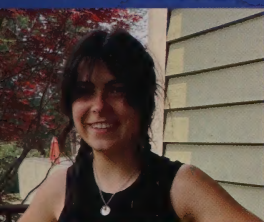

JULIA McDONOUGH

My name is Julia McDonough, and I fulfill the role of the Business and Marketing Manager for the Class of 2022 Yearbook. In addition to being a part of the yearbook staff, I am a member of the National Honor Society, and I play on the Girls' Varsity Ice Hockey and Softball teams. Creating the yearbook for my classmates has truly been a marvelous experience. I am so honored to work alongside a great group of committed students who want to create an engaging yearbook for the Class of 2022. My hope is that this yearbook reflects the memorable experiences we have all shared throughout our years at Medford High School!

SOPHIE SILVIA

I am the senior photography manager of the yearbook! But I also do other things, such as being a member of Color Guard, a Publicist for the CCSR, being the founder of the "Mustang Siblings Mentoring Program" and much more. Congratulations to everyone who worked hard to get here, and I hope we were able to capture all of your best moments from high school here. Wool Go class of 2022!

RYLEE WALKER

The 2022 MHS yearbook is dedicated to the

MHS Nursing Team

For all of their hard work in keeping Medford
High safe this year

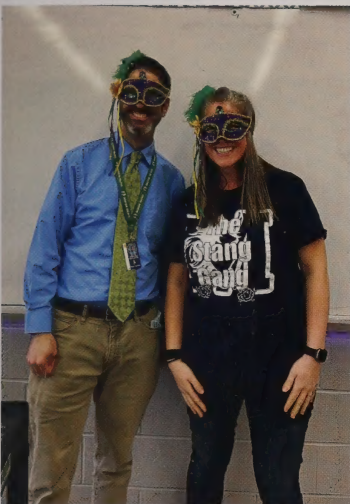

It is the esteemed honor of the 2022 MHS Yearbook to present this year's dedication to our wonderful nursing staff, Nurse Cullinane, Nurse Gunn, Nurse Silva, Nurse Hatfield, and Director Hines.

We are so grateful to have had such dedicated nurses who have been committed to keeping students and staff safe and healthy over the course of the 3 years we have spent battling the COVID-19 pandemic. Navigating mask mandates, testing, countless extra visits, and all of the other responsibilities brought on by the virus, the nurses have been truly vital to maintaining the health of MHS.

In the year that COVID-19 is predicted to turn into an endemic, we hope that the nurses will face a less trying school year in the fall of 2022, and we are thankful for the many hours and perseverance the nurses have devoted to us during our 4 years at MHS. On behalf of the Class of 2022, thank you for all that you've done for us.

Message from Senior Daniel Owens:

"This is Daniel. Daniel is a 21-year-old student in classroom A208, the Project Transitions Program. Daniel has been at MHS and MVTHS for 18 years (starting in preschool), since September 2003. Wow, that's such a long time!! Daniel also has Autism Spectrum Disorder, but that does not mean Daniel isn't welcome to visit everyone at MHS and MVTHS as a post-graduate. For 3 years, Daniel has walked through these halls and oh my, what a nice, young man he is. A little fun fact: Daniel is now the oldest of all the students at Medford High School. Other than that he is fun and loving!" - Daniel Owens

Message to Senior Class

From Principal Paul D'Alleva

The class of 2022 is recognized as the class of understanding and compassion that they have shown towards social, local, and national concerns. Your many ideas and contributions can be measured on both quantitative and qualitative levels. Each student in their own way has made meaningful contributions to Medford High School and Medford Vocational Technical High School.

I ask this class to look toward the future. You may encounter trying situations, but the lessons you have learned will guide you to positive outcomes. You must continue to view the world from a global perspective, where many people play an important role in meaningful change. As your principal, the class of 2022 has shown me that you have the vision and the tenacity to see important missions come to fruition during your lifetime.

The unknown should be viewed a challenge and not something to be feared. Some of these challenges will have you question your personal beliefs. Use the experiences that your classmates and teachers have shown you throughout your four years of high school. The experiences that you have shared will forever be a part of who you are. As alumni, you now join with thousands of people who preceded you to become part of a tradition that includes accomplishments and achievements that will be a source of inspiration to all. I wish you nothing but the best with your continued success.

SENIOR CLASS

PRESIDENT - ANITA CAPONE

"Four years and one pandemic later, here we are! We're all going on to bigger and better things. Wherever life takes you, I hope you're happy and thriving. We did it guys! Good job, good luck, and stay gorgeous."

VICE PRESIDENT - ASIANEE BRATHWAITE

"First off I want to say we made it! Our class of 2022 may not have had the traditional high school experience due to the pandemic, but that makes graduation even more surreal. Congratulations, and I hope that everyone's future is bright!"

OFFICERS...

SECRETARY - MATHEUS DE MORAIS

"I am really proud of our class. I hope we have brilliant and prosperous futures. We are great not only because of our hard work, but also because we lived through a pandemic. Good luck on your next chapter!"

TREASURER - KATE JOSLIN

"Looking back on the past four years, I am so proud of this class and all we have accomplished. The class of 2022 has endless potential and I cannot wait to see what the future holds for all of us. I wish you all happiness and success in the future."

Their hard work paid off. After months of training and two straight weeks of band camp, the Star Wars show was a fan favorite. The music and choreography was the statement piece of the show. They put in their all and won for the light side! Go Mustangs!

Marching Band

Show Day!
May the force
be with you!

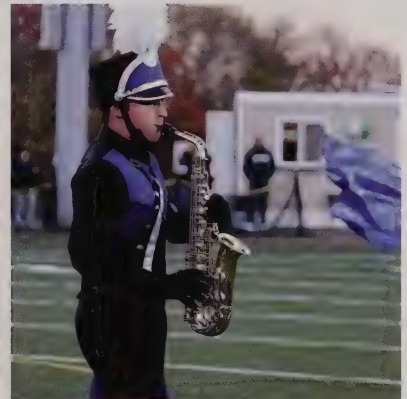

The Marching Band, directed by Haley Rello, competed at their last show on October 31st, 2021. Their outstanding play will be forever remembered in their legacy after taking home at least four trophies. Congrats to the graduating seniors who marched their final show! Let's go Medford Band! We're "psyched" for next season!

We are the Mustang Marching Band

The Medford Mustang Marching Band at their final 2021 NESBA competition at Reading High School. They put on their last performance of their show "The Force," winning a gold medal in division 3, out of seven other bands.

Getting ready for a performance, practicing, and awaiting awards. Everything the band does they do it as a team. They're a family.

Color Guard

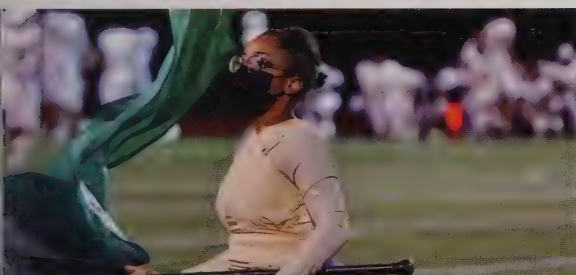

The Medford Mustang Color Guard, run by Haley Rello and Jackie Gaffney, has been a program for over eight years. Along with their numerous gold medals and first place rankings within their division, they received multiple undefeated wins during their 2021 NESBA championships this season. At their final performance of "The Force," they faced seven other bands, winning third place for Medford. They're seen as strong competition from the other bands, and are well-known in their region for their in-sync choreography, talent, and costumes.

MAY THE FORCE BE WITH YOU

At the end of part 3 of their show, the guard demonstrates strength and perseverance. This is the beginning of the turning point in their story, and their journey to victory against the dark side. Here we see the team being fierce and powerful, unwilling to give up.

ALYSSA PARZIALE - CAPTAIN

Alyssa, coined as "the guard grandma," is the oldest member of the guard. She's been a member since the 6th grade, and has competed in over 10 seasons. She spins flag, rifle, and saber and throws an excellent toss with 6 rotations.

CAILEE MCCRAY - CAPTAIN

Joining just a year later, Cailee is the second oldest member in the guard. They have been spinning flag, rifle, and saber for as long as anyone can remember and are known for their beautiful leaps.

LAURA LEWIS - FLAG CAPTAIN

Laura has worked hard to be Flag Captain since her freshman year. She works the hardest on her tosses, and is a great role model for the newer members. She was one of the soloists in this year's production.

SOPHIE SILVIA

Sophie is a great performer and dancer. From joining in her freshman year, she has spun both weapons, and continues to spin saber. She always puts in her best effort while thinking of the team, and is known as "the mom" of the group.

ARWYN LANGOSY

Arwyn joined in her last year of middle school for the band's show "Tarzan." She's been spinning flag, rifle, and saber since her third season. She also starred as a soloist in the latest show.

Message from the Seniors:

"We hope the team keeps improving after we graduate, and that anyone who wears our uniforms do it with the same love and meaning we did."

Cheerleading

"Despite dealing with a global pandemic, the Varsity Cheerleading team had a great season. The team had a lot of fun, they worked hard, and made new friends. Never let yourself down because of others, you know your values and qualities." - 2021 Captains

DONT GET MAD,
GET BETTER.

"The COVID-19 related obstacles continue to be a relevant matter. Due to the nature of the virus, it's the kind of thing that requires everyone to be on the same page and act unselfishly. If a player missed a COVID test or acts irresponsibly after a potential exposure, it can have team wide ramifications. Kids showed up and put their best foot forward, leading to 3 wins in the fall season."

Cross Country

During the cross country season, both the boys' and the girls' team competed in the Greater Boston League Championships. The girls' team placed first and the boys' team placed second. The most memorable cross country meet was the Wrentham Invitational meet.

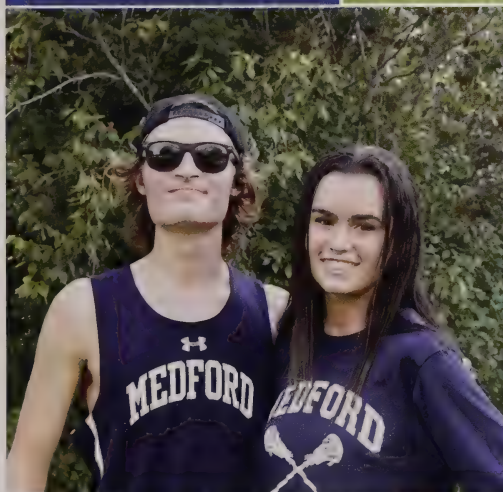

Seniors from top to bottom,
Lydia Olivieri, Emily
Finnegan, Christopher Hunt,
Dylan Smith, and Amine
Nazih.

"The cross country team is not only a talented group of runners, but a group of amazing friends! Both the boys and girls teams have consistently had very successful seasons. We value kindness and teamwork and have a wonderful camaraderie amongst the team. We are not just a sports team, but a family!"

Captain's message:

"This team is like a family to us. From the middle school rowing team to the high school novice and varsity, we have all grown together and found our strengths on the team. This fall season we faced challenges and continued to persevere, with the plan to continue this hard work in the spring."
- Melina, Brendan, and Liza

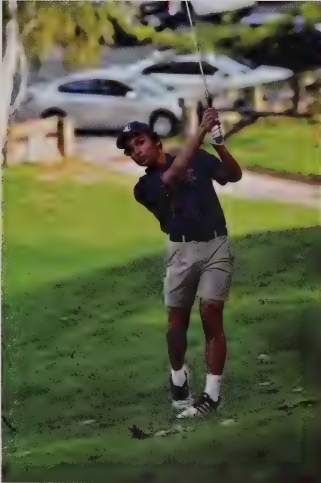

Rowing

The fall season of rowing consists of five-kilometer timed races. Medford Rowing attended two regattas: the Lowell Textiles Regatta and the Worcester New England Junior and Regional Regatta. The boys raced a novice eight and a varsity four, finishing their race in under 20 minutes at both regattas. The girls' team raced a varsity four at both races and crossed the finish line in under 22 minutes.

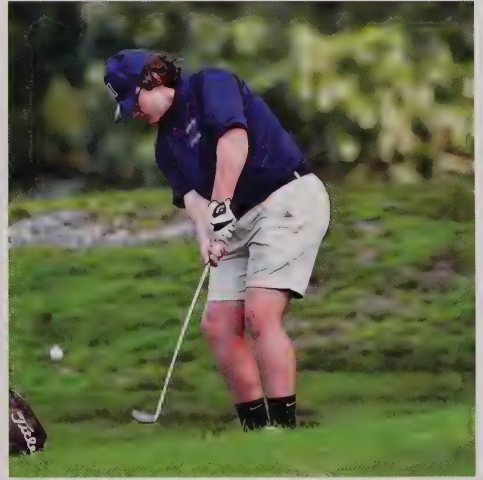

"We qualified for the MIAA state tournament at Bradford Country Club and we were led by co-captains Anthony Lind and Elias Kinaoui. Both are seniors. Anthony and Elias were four-year starters on the golf team, and we could not have been led by more hard working and upbeat dedicated student athletes. Thank You Ray Dyer head coach MHS Golf team." - Coach Dyer

Golf

The golf team had a wonderful season with 9-3 record. The team grew over the season and trained to grow and hone in on their skills. With an upbeat and positive attitude, the boys were able to qualify for the Massachusetts State Tournament at the Bradford Country Club.

Boys' Soccer

The boys' soccer team started off their season with zero losses and grew as a family with the progression of practices and games. This year is most memorable for the seniors: Rafa Gross, Jack Medeiros, Romeo Roberts, and Jigme Lama. They put their best foot forward and demonstrated what it meant to be a leader of the team as they played in the state tournament, their final game against Newton North.

Shown above are various photos from the boys' soccer matches in the 2021 Fall season.

Seniors from top to bottom, Captain Kiera Lappin (Left Defender), Captain Laurel Baxter (Center Defender), Annabelle Bolitho (Left Forward), Ava Randazzo (Defender), Ava Heinegg (Midfielder)

"I love this team so much and am so proud of everyone on it! I am sad to be leaving, but I am so fortunate to have been able to lead the team as a captain the past two years."

- Kiera Lappin, captain/senior

Girls' Soccer

The girls' soccer team had an outstanding amount of growth over the course of this season. There were many successful wins, and overall the team grew closer together to create an amazing atmosphere on and off the field. Every player put their all out into the field and had fun while doing it. The memories made with this team will never be forgotten. 1...2....3.... Go Medford!!

"I learned so much on this team about character, hard work, leadership, and teamwork. The past four years have given me role models and friends that I am so grateful for!!"

- Laurel Baxter, Captain/Senior

Unified Basketball

TEAMWORK

Unified's most memorable game was Senior/Post-Grad night, when they ended their season with their first win.

For the first time at MHS...

Unified Sports is for students of all abilities and grade levels, and this year we had freshmen through post-grads participating in the Unified Basketball program. Students played five fall games (three home and two away), and practiced once a week, when they worked on basic skills and basketball knowledge. Former MHS three-sport athlete Carla Andre, who coached the Unified Basketball team during its first season at MHS, reported, "Unified Athletes showed leadership

by demonstrating true inclusivity helping those around them both on and off the court, and helping the other team on the court as well...The best thing about this team was watching true, authentic friendships form, regardless of disability."

The goal of the Unified program is to ensure that students of all abilities are able to participate in athletics, and "to strengthen our community through disability awareness and acceptance," according to Coach Andre.

Above, the Unified Basketball Team and coaches pose for a group photo. #15 Emily Matarese, #17 Joe Sullivan (senior), #18 Anthony Teixeira-Kugler, #19 Sosna Takele, #20 Luiz Silva, #21 Boshawn Paisley-Flango, #22 Isalah Bell, #23 Jonathan Malerba, #24 Bianco Huang, #25 Noa Ospenson (senior), #26 Daniel Owens (final year post-grad), #27 Meghan Ross, #28 Brianna Fiote, #29 Jamesley Vital, #30 Rocco Lodato, #32 Robert Gambale (senior)

In the near future, Unified Sports is planning to expand to other sports (such as track & field), as well as to the middle school. As Unified Sports grows, we "hope other teams in the Greater Boston League will join in the next few years," said Coach Andre.

Volleyball

After winning the Greater Boston League Championship last year, the Medford High Girls' Varsity Volleyball team had a solid 2021-2022 season. Head Coach, Taylor Dyer, led the team to an overall record of 12-9. In their league, the team went 11-3, making them 2nd in the Greater Boston League.

The most memorable game of the season was the Dig Pink Game; This game was for a great cause. T-shirts were sold and the proceeds went towards Breast Cancer Research. The team played very well together as they had good movement and positive energy.

Message from the Seniors (above):

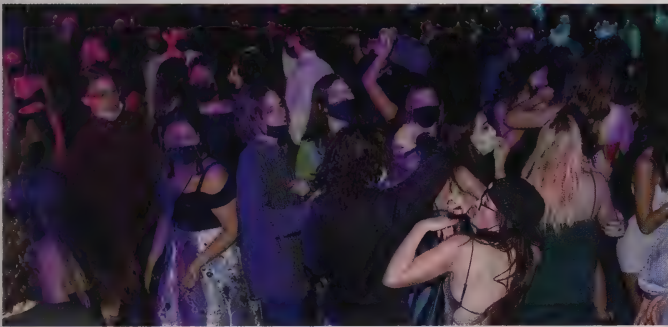

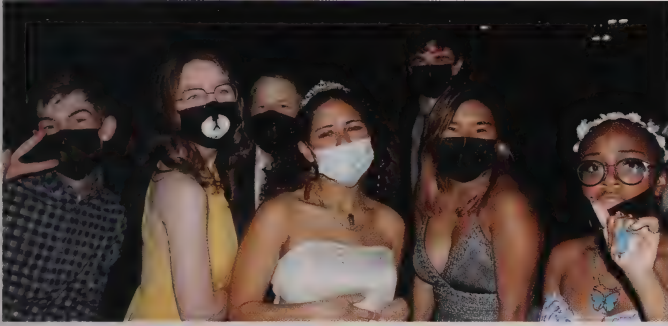

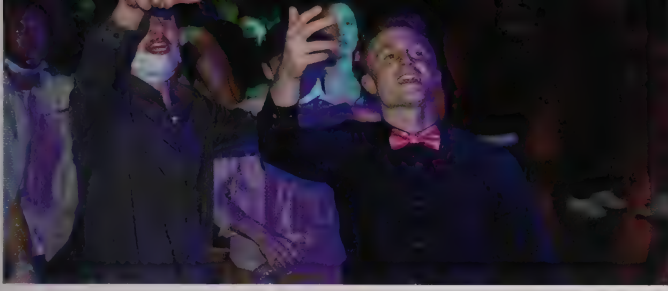

We are all so proud of how well we did this past year and we're so happy that we were able to have a season.

We've loved having the opportunity to play on this amazing team. We've learned a lot over the past 4 years. And we're thrilled to have had such an amazing coach who always encouraged us to do our best. We have loved seeing this team grow and we're looking forward to seeing everything they will do in the future.

We're thankful for all the memories and friendships we've made. We wish next year's team the best of luck!"

HALLOWEEN

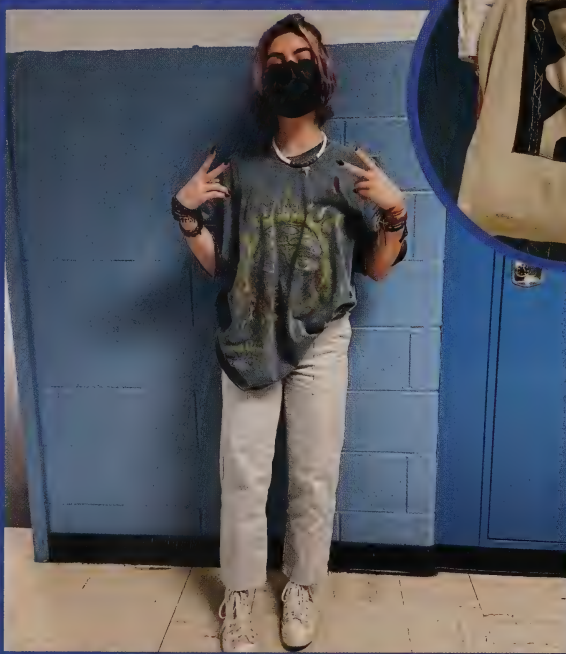

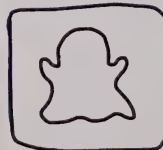

Fads of the

Tote bags are the moment!!!! They are super convenient for students to carry their books around, but also distinctly fashionable to make one's outfit complete. They have been brought into style to spotlight the use of reusable bags and fashion sustainability which is super important!!

Converse!!! These shoes have been relevant for a significant amount of time. They pair well with low rise jeans and pull together bright colors. They give people 90's nostalgia along with a cool vintage look.

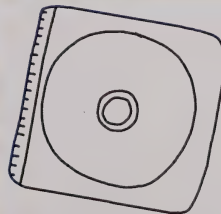

Senior Class

Hair clips complete a stylish outfit by adding even more taste. From the front, the outfit is already put together, and a hair clip adds a simple, yet stylish up-do look. They can be paired well with anything and can complete any outfit.

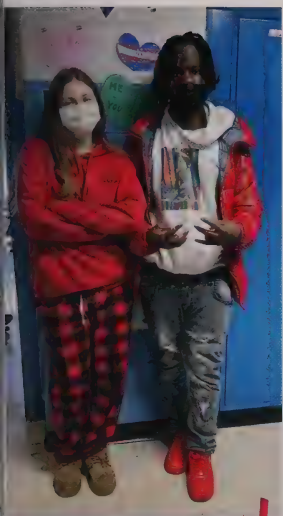

Rings have always been a way for someone to express themselves. They can easily make an outfit pop more and they add detail. Rings are staple fashion items that can be found in anyone's closet.

Message from Mr. Maloney:

"Our team has competed with intensity and worked hard on and off the court. Our players volunteer at basketball summer and fall camps, are involved in many sports and extracurricular activities, and support each other whether it is basketball or not. Every day our team and who can play has changed due to COVID protocol or injury, but our team has really fought through adversity. I wish all of our players the best of luck with their future endeavors."

"Good luck to Captain Kate Joslin in all of her future endeavors!" - Mr. Maloney

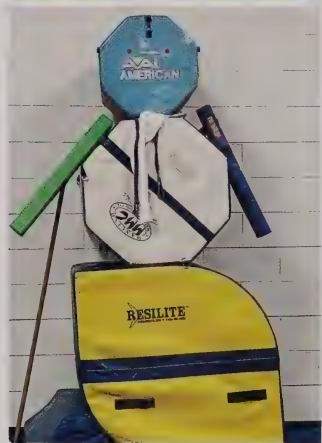

Message from Senior Captain Kate Joslin:

"I want to thank this year's team for making my senior season so memorable. After being injured for half of the season, I wouldn't want to play the last ten games of my career with any other team. The last four years I have spent as a member of the varsity team are years I'll never forget. This team has great potential and I look forward to watching the program grow. I want to thank Coach Leo Burke for teaching me what it means to be a selfless player and always put the team first. Thank you to some of the best teammates and friends and good luck in the future seasons!"

Gymnastics

The gymnastics team competed in two meets against Malden High School and finished closely behind them. The members of the gymnastics team are hard working and continue to push forward in their season!

Congratulations to

this year!

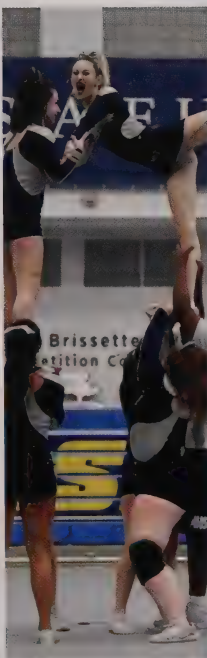

Cheer

"The goal this season was to never be THE best but to be OUR best! They became GBL Co-ed Champs and made history all the way to States! This team shows the heart of a champion!" - Coach Meg

Congrats to Senior Cheerleader, Andrea Suribory on receiving the GBL All Star Award!

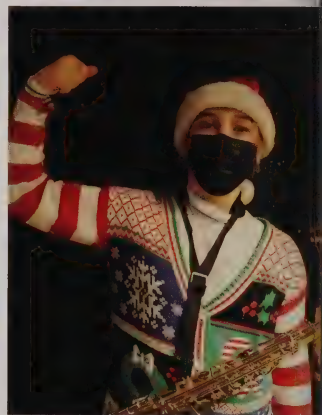

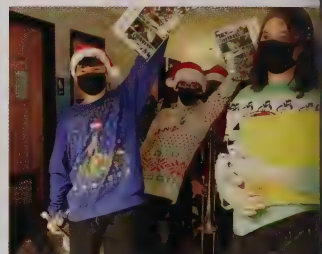

Concert Band

The Medford High concert band performed show tunes and festive jingles for the holidays. They also put on a final performance of their 2021 competition music inspired by Star Wars.

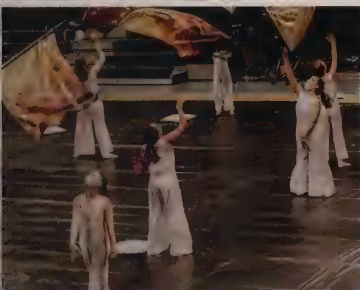

"Thank you all for giving us a great show," says band director Ms. Rello.

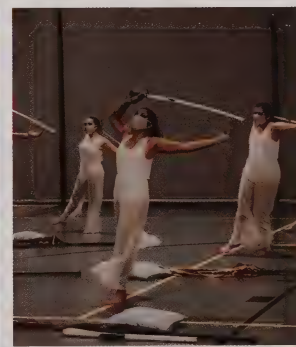

Winter Guard

This was the fifth consecutive undefeated season for the team. Congrats to the Guard Team! The guard has put an immense focus and effort into this season and every show that they've performed. The 2022 show was "The Second Star to the Right." It portrays a magical story for the seniors waking up from a sweet dream into a bright new future!

"The past seven years have been my best ones yet. Watching all of us grow, not only as people but as a team, has been an experience. I would never want to give up."

"The 2021-2022 Indoor Track and Field team this year was a joy to coach! Nearly every athlete hit their goals throughout the season, and they did so with great determination and outstanding sportsmanship. Whether they were looking for a positive social environment or hunting down challenging school records, each of these athletes shared an invaluable and meaningful experience that will hopefully carry with them for years to come. Both the boys' team and the girls' team were led by a tremendous group of seniors, whose leadership and care have helped to establish such an exceptional team culture."

- Message from Coach Donlon

Message from senior Madyn Golisano:

"The past four years on the track team have given me unforgettable memories, long-lasting friendships, and exciting experiences. This team has not only become my family, but has given me a place to belong and to thrive. I could not be more thankful for my teammates and coaches for all their hard work and continued support, and it goes without saying that track will be what I miss the most!"

Game Highlights

Message from Coach Lanzilli:

"We are a varsity team compiled of both high school and middle school players. As a young team, our players looked to our seniors for leadership and guidance. Isabella, Livi, Julia, Keena, and Beverly led by example on and off the ice each day. Coming in as a first year coach, it was a huge adjustment for myself and the girls. I couldn't have done it without them - thank you girls! Seniors, be proud of all you have accomplished so far, believe in yourselves, and continue to chase your dreams. Thank you for everything, you will be missed."

Black History Month

Dr. Edouard-Vincent

"True Mustangs treat all people with kindness and consideration and are eager to learn from each other. Together we can help make our community and our world a much better place in which to live. Let us all go forth in the words of Amanda Gorman, 'If we merge mercy with might, and might with right, then love becomes our legacy.'"

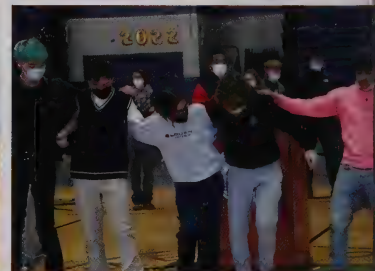

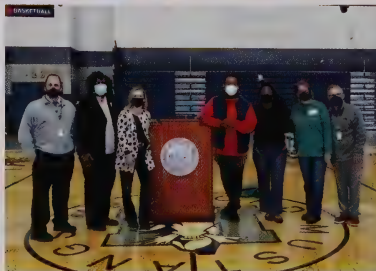

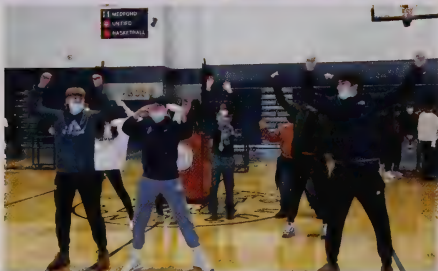

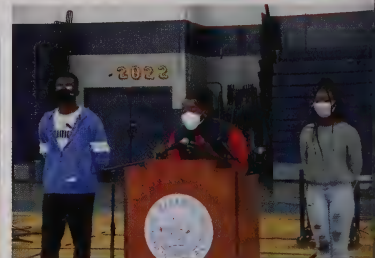

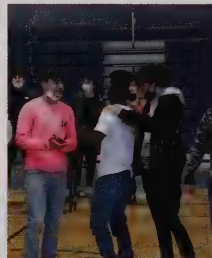

Ms. Walker

"Again, as one of the few administrators of color in this district, this is my second year in Medford. I must say, Medford has grown on me. I absolutely love the community, feel very supported and I'm just happy to be here with you all right now."

Mr. D'Alleva

"We are one Mustang Community but Mustangs do not come in similar shapes and sizes. We are a diverse community that celebrates our diverse cultures. Black History Month is a way to celebrate our diversity. We are honored to have assemblies and readings to view our students and staff from different perspectives."

Ms. Walker

"Women have been leaders, not only in securing their own rights of suffrage and equal opportunity, but also in the abolitionist movement, the emancipation movement, the industrial labor movement, the civil rights movement, and other movements, especially the peace movement, which create a more fair and just society for all."

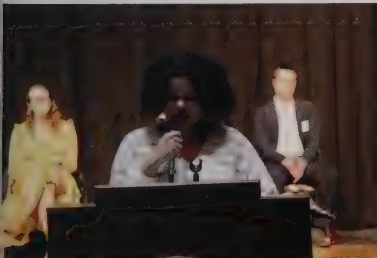

Anna Capone Dozier

"The Women's Day Assembly honestly meant a lot to me and I'm happy and grateful to have been able to participate in it. There were women of all different backgrounds, career paths, and lives who had one thing in common: their mininity. It was just great to listen to their advice and their words for young women and girls and honestly just people. It was just a room filled with a lot of love and support and I think it's just something we need more of."

Christina Costa

"As a young female being a part of this assembly was inspiring because these women broke the barriers in their field, ultimately setting the stage for future generations. Introducing and learning about them shows females everywhere and myself that anything you put your mind to is possible, with just a little bit of hard work."

Message from Coach Orazio Azzarello:

The event that the team is looking forward to is the Brian 'Branny' Branson Memorial Game. Brian passed away in January 2012, and he umpired many of the players through the years in Medford.

The team is young, but very talented. They just need to play together and get the experience of playing Varsity Baseball.

The coaching staff want to wish the seniors the best of luck! They will always be Mustangs!

Message from seniors and captains: Melina McGovern, Liza Lopes, Sean Green, and Brendan Canavan

"With some of us being on this team since freshman year, we have been able to watch it grow. It is amazing to be a part of such a strong community that has unmistakably shown its spirit and grit when we were met with challenges.

This season we are excited to have multiple races lined up including Medford vs. Locals, Medford at Worcester, Medford's Mayor's Cup Invitational, and States. Our schedule has been absolutely filled which is exciting for our final year.

We would like to thank our teammates, the coaches, and Friends of Medford Rowing for supporting us and everyone involved in the sport!"

Senior Banquet

May 2022

Congrats to all the seniors attending the Vocational-Career and Technical Education School!

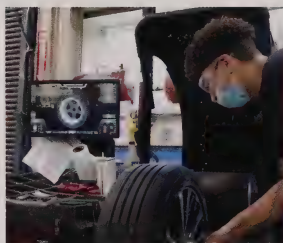

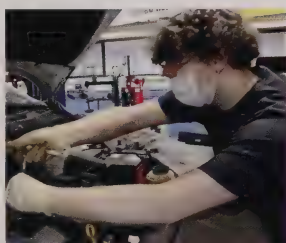

Automotive Technology

"Quality, craftsmanship and integrity sums up the great success of Medford's newest professional Automotive technicians. Congratulations to the Automotive Technology class of 2022!"
- your Automotive Technology teachers

Seniors: Edward Lee Barbeau, Bernado Blanc, John Chaves, Nikolas Gomes, Adam Hajjar, Tenzin Rabjam, Ilyass Reed, Diego Sepulveda Contreras, and Tyler Shaw

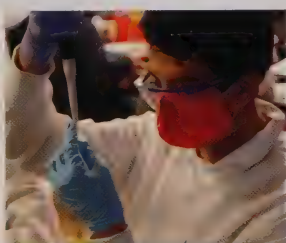

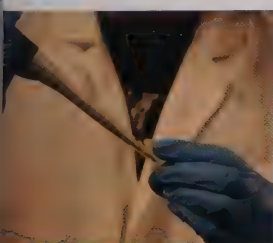

Biotechnology

Students sharpened their knowledge and skills by learning about Gene Editing by using CRISPR techniques, visiting BioBuilder labs in the Seaport in Boston, learning how to use Synthetic Biology to make better smelling bacteria, and preparing for their Final Exam lab project, which involved job applications and interviews, lab projects with documentation, and performance reviews.

"Dear Ava, Sara, and Kata, Congratulations on completing your MVTHS careers! I wish you all the best as you continue on to college, and I look forward to keeping in touch with each of you and learning about where your careers go next!" - Mr. Rousseau

Seniors: Sara Jellison, Kata DiRusso, and Ava Taylor

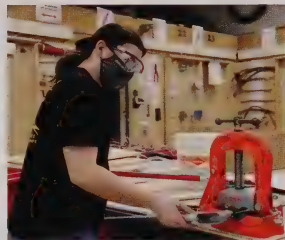

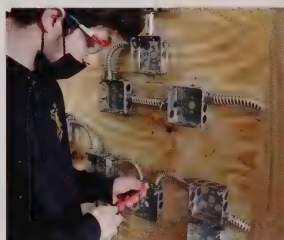

Electrical

"Seniors, YOU DID IT!!! The outcome was never in doubt. You have had to endure the most difficult school years in the history of school years, yet, you did it. I am so proud of all of you. Your most impressive accomplishment has got to be the Andover Project with Housing for Humanity. You not only gained experience, you used your skills to help provide a comfortable home for two families in need. Please remember this....You survived a Global Pandemic. In a few years this will be a distant memory and you will be able to move on with your lives knowing that you won! You will be able to shout from the top of Mount Washington..... 'Hey! Pandemic! Is that all you got?'" - Mr. Cormio and Mr. Burns

Seniors: Jeremy Antonio, Aidan Auditore, Cameron Davis, Kalsang Dhondup, Antonio DiMeo, Aidan Doherty, Nicholas Dowling, Kevin Gannon, Justin Giglio, Rafael Gross, Anthony Lind, Salvatore Maffeo, Diego Morales Lopez, Richard Moretti, Duy Pham, Isabella Sasso, Nicholas Seccareccio, Thomas Slowe, Miles Taylor, Olivia Tufts, and Harrison Zammuto

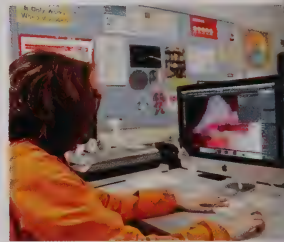

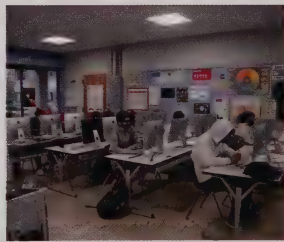

Graphics

"To the Graphics Class of 2022: Congratulations and best of luck! You endured and overcame many of the residual effects of Covid that took away many months of valuable in-class learning, and did so in a makeshift department as we waited for the green light to move into our long-awaited new space to be finished - which you are the first of our classes to graduate from! We hope you will take with you many of the things we stressed that went beyond the Graphics industry - a solid work ethic, communication skills, resiliency, and high-level thinking, as well as the self-awareness to understand something can always be improved upon by caring more and giving an improved effort."

- Lou Spagnola and John Spagnola, Graphics Instructors

Seniors: Gla Barros, Jamari Cesar, Allison Cortez Alas, Arthur Felicio, Shane Foley, Angelina Impemb, Elijah Martin, Evelyn Natale, Ryan Navarro, Jennifer Kelly Pimentel, and Joseph Sullivan.

Construction

"The class of 2022 has been the building block of our program. They have worked on numerous projects around the school such as the installation of the electric charging station, the girls' locker room, changing of auto body to robotics and engineering, restoration of concrete in front of the vocational school as well as many day to day projects in and around the school. They will be truly missed and have laid the foundation for what it means to be a successful member of the Construction Craft Laborers family." - Mr. Kelly, Mr. R. D'Alleva, and Mr. Brown

Seniors; Jared Allsopp, Gensly Badeau, Michael Biddiscombe, Gabriel De Jesus, Juarez Dos Santos, Michael Esposito, Gianni Federico, Luke Gatti, Joseph Keenan, David Langer, Davidson Marc, Jason Mota, Shawn Ortiz, Miguel Sousa, Gabriella Tello, Cody Tufts, DiMitrios Vocas, and Andrew Watson.

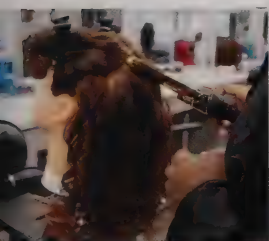

Cosmetology

"These past few years have been challenging for our four senior cosmetology students. Covid has caused so many losses and struggles for them. Since being back at school full time, they have been focused and have worked hard on their skills; hair cutting, styling, braiding, waxing, nail care, hair coloring and foiling. I am very proud of each of them for their hard work and getting on track despite the lost practical time. They have been with me since the start of my teaching journey and I am so grateful for each of them." -Mr. Cardozo and Ms. Mauro

Seniors: Shannon Butler, Daniela Centofanti, Jennifer Costa, and Clorienne Memeus

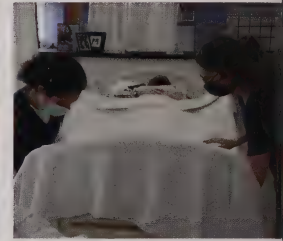

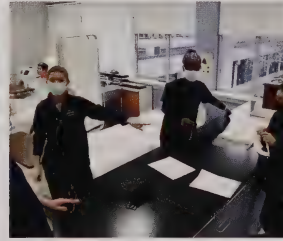

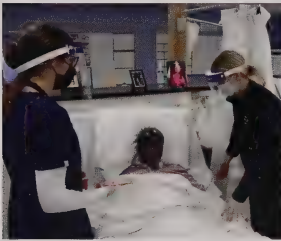

Health Assisting

"Dear graduates, Congratulations! You are entering into the profession of health care during a pandemic, which is a challenging time, but remember that you will be providing care at a time in history that none of us will ever forget. In Health Assisting you learned how to provide basic patient care while wearing full PPE, you've participated in clinical practicum, including vaccine and height and weight clinics, you've made more beds than others could imagine, you've worked with the very young and the very old (and everyone in between), and you are already making a difference in others' lives. Keep moving forward, no excuses. We wish you much success in college and in your careers. Stay in touch with us!" - Mrs. Trofimow and Mrs. Savini

Seniors: Brianna Patno, Tracy Vo, Bonnie Huang, Lucy Grehan, and Carisa Andrews

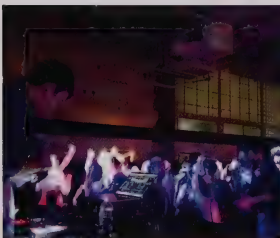

Media Tech

"To the Media Tech Senior Class, Congratulations! I'm very proud of all the work you accomplished this year and the skills you developed from video production to editing and everything in between. I am especially proud of the work you did this year to bring back the Mustang Minute and produce a quality broadcast each and every week. You should also be proud of the tireless work you put towards photographing all the district schools for the new school website. I know the last four years have not been easy, but you persevered and made it. I can't wait to see all you accomplish going forward... I also wanted to say thank you for helping make my first year of teaching a success; it would not have been possible without your help and effort. Thank you." - Mr Hester

Seniors: JiaLee Robinson, Brandyn Connor, May Wiest, Shane Colbert, Lydia Twiddy, Nertha Richard, and Kaliyah Sautier (not pictured)

Metal Fabrication

"You made it! Your class not only had to endure a worldwide pandemic but the change of your teacher in your senior year. That's a hard hand to be dealt, but you handled it really well. You were all willing to come back to Metal Fab to yet another teacher to roll the dice, and I hope you were happy that you did. I hope that even though we only had a short time together that I was able to give you the skills you need to further your path in the metal fab industry."

- Mary Stokes

Seniors: Kevin Vernet, Isaiah Blake, and Jonathon Dias

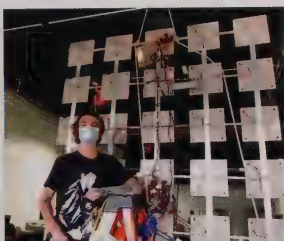

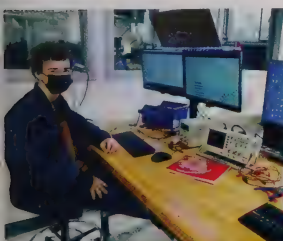

Robotics

"This year, students enjoyed their first full year in our new space in the former Auto Body shop, which has allowed us to work on some larger scale projects such as our 8' x 10' LED Tetris Matrix, the Traffic Light School Bell Simulator, and a stencil to paint our garage door. Some of our smaller projects include the LED Word Clock, NeoPong Light Game, and SumoRobots. We were especially proud this year to have several alumni come back and speak to our current students about the great work they are doing."

- Mr. Christy

Seniors: Lucas Chaves, Dylan Smith, Myles Youngblood, Daniel Reevior, Caterina Paone, Brendan Canavan (not pictured), Christopher Hunt (not pictured)

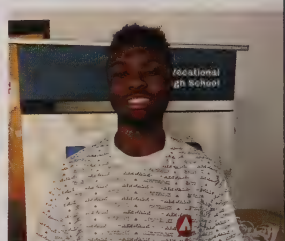

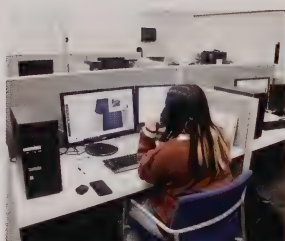

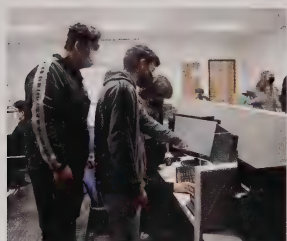

Web Development

"To the Programming and Web Development Class of 2022 - I am so happy that I had the opportunity to be your teacher and I am proud of you. Congratulations on graduating and best wishes for your next adventure!" - Ms. Milller

Seniors: Igor Brasil, Robert D' Alelio, Arwyn Lango, Ahmad Makeih, and Daniel Skepple

SkillsUSA

SkillsUSA is a 350,000+ national membership association serving high school, college and middle school students who are preparing for careers in trade, technical and skilled service occupations. SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce.

At Medford High School, vocational students can enter competitions for a one day District, 3-day State, and 6-day National Conference. Students must be a Gold or Silver medalist at Districts or a Gold medalist at States to move on to the next level contest.

Think of SkillsUSA as the Olympics for Vocational Education.

Advisors are Lou and John Spagnola.

Top left: Emma Cohen of Graphic Design, 2022 District Gold Medalist in the contest "Graphic Imaging Sublimation"

Bottom Left: Diego Hernandez Castillo of Graphic Design, 2022 District Silver Medalist in the "Graphic Imaging Sublimation"

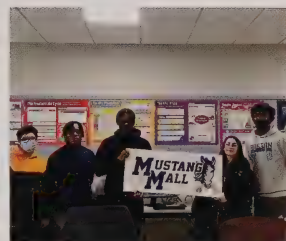

Business

"The Business Marketing Seniors had an exciting year. We moved the Mustang Mall to a new location and stocked it with fresh Mustang gear and new designs. Additionally, the team visited the T Stop clothing manufacturer to do a quality control inspection and Jordan's furniture to understand the merging of entertainment and retail. Lastly, we discussed careers in Sports Marketing with a member of the Boston Celtics front office." - Mr. Carino

Seniors: Nevaeh Clark, Abdirahman Osman, Valdi Vainqueur, Hector Villanueva, Rudolph Ross, Loubens Jean, and Andrea Gailhard Contreras.

Carpentry

"Mr. Lumino and Mr. Bittner want to wish all of our seniors much success in all of their future endeavors!"

Seniors: Nicolas Da Silva, Colin Longo, Adonael Memeus, Peter Norberg, Wenderson Pessoa, Joshua Inginni, Vincent Ruggieri and Leo Walsh

Culinary

"This year, students in the Culinary Program worked on the operation of a restaurant, focusing on our takeout department 'Cafe Electra'. Students studied the different stations included in a fully functional professional kitchen, and rotated through these stations. Customer service is a major focus here in our shop, and students are taught about how they can strive to exceed a customer's expectations! The proudest moments here in culinary are when the faculty and staff come into the bistro to enjoy the fruits of our labor- the food these students produce helps keep us all going on a daily basis. Seniors, always remember, you are the ones sculpting your future!"

- Mr. Pearlstein

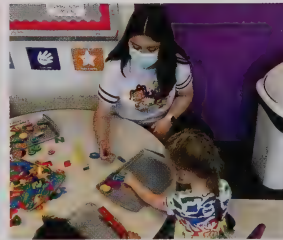

Early Childhood Ed.

"Students are working at Creative Corner in Winchester and Launch & Learn EduCare Center in Medford. They are receiving course credit and on-the-job training through these co-op opportunities. In addition, other early childhood students are earning hours toward industry certifications and gaining experience while providing supervision and guidance to preschool and kindergarten children at the Brooks Elementary school, Little Sprouts, and Six Acres Nursery School. As a result of our partnership with the Brooks Elementary School, Whitney was reunited with her former kindergarten teacher and is an assistant in Ms. Micieli's classroom. I have watched the students build confidence and use classroom knowledge while in this real-world setting. Those are my proudest moments, and theirs, too. In early childhood learning, we keep a mindset of "appreciative inquiry" in the face of challenges. As author David Cooperider puts it, 'Instead of negation, criticism, and spiraling diagnosis, there is discovery, dream, and design.' After all, doesn't that sound more like a child's mind?" - Ms. Kirkpatrick

Seniors: Sarai Acosta, Keora Belden, and Whitney Cadet

Asian Club

Medford Asian Club (MAC) promotes the unity, culture, and heritage of both non-Asian and Asian students among the city of Medford. Our goal is to spread the love of the Asian culture through community service, school wide events/fundraisers, as well as activities planned for every Wednesday meeting.

President: Capland Cho
Vice President: Bonnie Huang
Secretary: Kaitlyn Truong
Treasurer: Alex Dao
Advisors: Ms. Briand

World Language Club

The World Language Club is a tight-knit group of students, each with their own unique background and a shared passion for learning about rich cultures around the globe. Ultimately, we strive to fundraise for language-related scholarships and inform ourselves, as well as our community, of the beauty in the diversity of our world. Highlights from this year include the Winter Basket Raffle and the Spring Fling (pictured below), hosted in the high school's inner courtyard. The club members worked together to organize the events, and each was a success!

Student Leaders: Katie Rotramel, Charlotte Gingo
Advisors: Prof. Bibeau, Prof. Salvati

Art Club

The Medford High School Art Club was formed in 2000 to promote a spirit of teamwork and social interaction for students who are interested in the arts. Weekly activities provide creative opportunities and encourage community involvement.

President: Abigail Sloan
Vice President: Ian Zotter-Barlow
Advisor: Ms. Van Aken

Drama Club

The Medford High Drama Club remains an institution within the Mustang community, providing the opportunity for any student interested in contributing to the performing arts. The accepting and supportive environment of MHS Drama Club lives on through generations of Mustangs, connecting us through our passion for participating in any way that interests you.

President: Theo Tringale
Vice President: Katie Rotramel

CCSR

Center for Citizenship
and Social Responsibility

The mission of the CCSR is to develop responsible global leaders – citizens who will be positive contributors to society and will work to combat important social issues such as global warming, addiction, prejudice, racism, pollution, gender bias, and poverty, while advocating for public education and healthcare. We believe by providing the proper learning activities, we can prevent students from becoming addicted to harmful substances and developing negative perceptions of others. The CCSR is a platform for student leaders to conduct projects for the betterment of the community.

"The CCSR has played an important role in creating the person I am today. I am forever proud to have been a part of the CCSR and represented it as a co-president these past two years."

Co-President Ellie Hunt

"The CCSR has helped me find my passion for helping the community and taught me that I can make a positive change in the world. Through my projects as a member and my work as a co-president, I have made many valuable friendships and lasting memories."

Co-President Zayn Yousif

"The CCSR has played a big role in my life throughout my four years in high school. I've become better leader, and created friendships through the numerous projects I've done. I am truly grateful and proud of being a member of the CCSR."

Vice President Khushi Kaur

"The CCSR has been an incredibly formative part of my high school experience. I am so fortunate to have had the opportunity to become a leader as secretary this past year through helping and encouraging others to aid the community."

Secretary Lily Beagan

"The CCSR has taught me that some people are always willing to go above and beyond to make the world a better place."

Treasurer Liza Lopes

National Honor Society

The National Honor Society (NHS) elevates a school's commitment to the values of scholarship, service, leadership, and character. Our goal is to serve our community however possible, whether that be free after-school tutoring open to all MHS students or large-scale fundraisers to do what we can for the causes we care deeply about.

President: Ava Heinegg
Vice President: Katie Rotramel
Secretary: Laurel Baxter
Treasurer: Charlotte Gingo
Advisors: Ms. McLaughlin

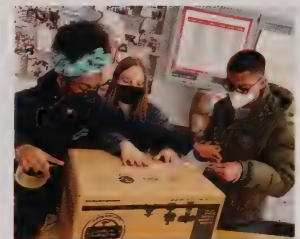

National Technical Honor Society

In National Technical Honor Society, we recognize the accomplishments of outstanding groups of vocational technical students. They show excellence in workforce education, develop pride, and encourage students to reach for higher levels of achievement. These students go above and beyond expectations on a regular basis.

President: Christina Costa
Vice President: Domenico Bruno
Secretary: Jacklyn Whealan
Treasurer: Saika Corrielus
Advisors: Ms. Savini and Mr. Pearlstein

Robotics Team

After a couple of years on hiatus, the Robotics Club was restarted this year. In their initial effort, they took first place in MATE ROV New England, an underwater robot competition. In June, they will be heading to Long Beach, CA to compete in the MATE World Championship.

President: Grace Kallberg
Advisors: Mr. Christy, Mr. Lewkowitz

Science Team

The Science Team is a member of the North Shore Science League (NSSL) that consists of 27-30 schools of the North Shore of Boston, ranging from Chelsea to Amesbury, including Cape Elizabeth, Maine. The league meets at various schools on the second Tuesday each month with three events and no more than four students per each of them. These consist of all fields of science, Biology, Chemistry, Physics, Engineering, Building, and other science related subjects.

Advisor: Mr. Lazzaro

Ethics Bowl

Held annually, the Ethics Bowl is a national competition organized by the Parr Center for Ethics at UNC-Chapel Hill. The competition is similar to a traditional debate in many ways but is centered around fifteen different cases, each of which presents a complicated real-world ethical scenario. Teams must work together to dissect the moral dimensions of the case and the implications for its stakeholders ultimately arriving at some position for argument. It requires a variety of academic skills along with the collaborative and competitive components that come with competition. To our seniors, thanks for four great years and a performance this year to be proud of. Good luck in all your future endeavors!

Captain: Eduarda Silva
Seniors: Yesenia Soto-Ortiz, Anita Capone, Lydia Olivieri
Advisor: Mr. Esner

Yearbook

The Blue and White Yearbook is one of the longest running clubs in this school. The Yearbook staff works hard to create a unique representation of our year as seniors. Students have the opportunity to work collaboratively with other student leaders, staff, coaches, and administrators, to create the best yearbook possible.

Staff info is on pages 2-3!

M30A

President Theo Tringale describes Outdoor Club as a "hub for chilling, chatting, and vibing. I love M30A! We go outside." The students in the club pursue many interests, including hiking, skiing, and – in the most anticipated event of the year – cardboard canoeing! This year the annual event will be held on Sunday, June 12th at Wright's Pond. The club meets weekly and puts on weekend events as well, along with Malden and Melrose, Medford's sister clubs.

President: Theo Tringale
Vice President: Sam Stanley

Anime Club

Anime Club is a social club for students who love all things about Anime. We read manga, watch videos, and play games a few times a month after school. We are proud of our 2nd win in a row of the Interact Halloween Costume contest for group costume!

President: Thiendinh (Alex) Dao
Vice President: Chauncy Alabre
Secretary/Treasurer: Jennifer Pimentel
Advisor: Ms. Perrin

Diversity Empowerment Movement

The Diversity Empowerment Movement is a student-led organization that celebrates the variety of backgrounds, cultures, and opinions of Medford High School. Through group discussions, social events, and presentations, the D.E.M. hopes to create a welcoming safe space in which marginalized voices are heard and amplified. This year, we collaborated with students to create an Immigrant Quilt, a visual representation of the diverse perspectives and perceptions of students around immigration.

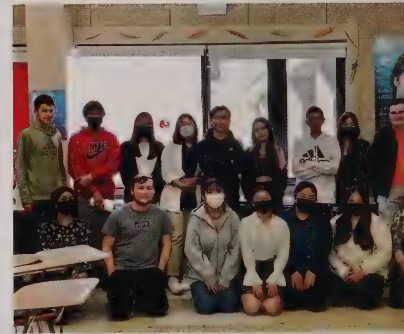

President: Maria Rocha
Coordinator of Activism and Outreach: Andersen Prin
Coordinator of Advertising and Events: Khushi Kaur
Advisor: Mr. Geehan

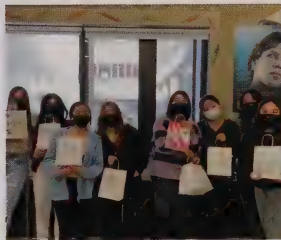

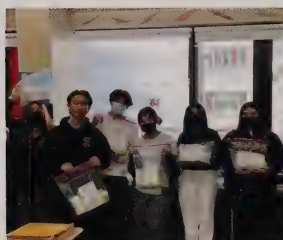

Harvard Homeless Mission

Harvard Homeless Mission's goal is not only dedicated to serving the homeless but also to helping to form a better community through working with Tufts Medical Center, Cancer Center, and St. Jude's Hospital as well as Boston Children's Hospital. This club has begun in many different states, and will soon begin in South Korean high schools. We have recently worked with the American Red Cross to create care packages for newborn babies in Ukraine. You can do anything from making food for the homeless, decorating bags for the homeless, making cards for the kids at hospitals, etc. We hope you consider joining the Harvard Homeless Mission Club!

Presidents: Jieun Pyo and Tenzin Rinchen
Secretary: Rakshitha ShankerGanesh
Treasurer: Natalie Daranuwat
